Grades of C or better are required for all courses applied to IGETC. Grades of C- are not acceptable.

A course can only be certified if it was approved for IGETC when it was taken. Check assist.org for a complete history of IGETC approval dates.

Riverside City College and Moreno Valley College are separate colleges and the courses that are approved for IGETC may vary. Students who wish to take courses at another institution and apply them to IGETC should always first consult with a counselor to make sure the course will fulfill the intended requirement.

A minimum of 60 UC/CSU transferable units are required for upper-division transfer. Courses cannot be double-counted to satisfy more than one area, even if a course is listed in more than one area (The only exception to this is the US History, Constitution and Government requirement, which is not part of IGETC).

Comments:

I have been advised of the classes necessary to reach my stated goal. If I change my goal it will be necessary to see a counselor to revise my educational plan.
